Handwriting practice for the letter 'i' in cursive. The first column shows the letter 'i' written four times, with the first one including stroke order numbers (1, 2) and arrows. The following four columns show the letter 'i' on a set of four horizontal lines (top, middle-dashed, bottom, and descender), each with a starting dot and a small arrow indicating the direction of the stroke.

Handwriting practice for cursive digraphs. The first column shows the digraphs 'iо', 'iy', and 'ie' written four times, with the first one including stroke order numbers (1, 2) and arrows. The following four columns show the starting dots and arrows for each digraph on a set of four horizontal lines.
